# WELCOME

Welcome to Tempe and the 22nd Annual New Year Ultimate Fest. This is my third year as the TD and the experience just keeps getting better. Seeing 800 ultimate players from across the country, giving it all they've got and leaving more than they'd like to on the fields makes all the work of being TD worthwhile.

Thanks to all the volunteers who make this easy for me: Karen and Phil coordinating the teams, Kathi taking care of our Saturday night bash and Frisbee Central; JT doing whatever is asked, Chris and Linda for driving the big truck, the Sunday cleanup crew, and all the people who ask "What can I do to help?" Thank you all!

I'd also like to take the opportunity to welcome back all the former Phoenix players who are playing with various teams this weekend. Some come every year, and some we haven't seen in a while. It's good to have you back even if we feel cheated that you left in the first place...

Good luck to all the teams. Enjoy the weekend!

## Open Division

Welcome to New Year's Fest 2004! When introduced to Ultimate in May of 1998, I didn't realize at that time that I was eating a red pill, while falling down a rabbit hole, through a looking glass wall, which I was tearing down brick by brick until finally in full vanity I could see my reflection fully exposed staring back at me in a silent scream of dreamlike insanity that was saying to me in perfect clarity, "There's No Place Like Ho! There's No Place Like Ho! There's No Place Like Ho!" ... But I digress.

Hundreds of parties, dozens of tournaments, a couple Natty and a Worlds appearance after my "awakening," I'm finally taking partial responsibility for putting on a tournament. It's been a big learning experience to say the least. Major props (aka "thanks") to everyone on the VOTS Board, who is incredibly organized and puts forth a crapload of effort every year to make not just this event, but the entire Phoenix ultimate scene, run smoothly. Special thanks to Keith "Agent Smith" Aspinall, for not just holding my hand, but for leading through this process and making sure I did everything I was supposed to do. Thanks also to Jim "The Oracle" Tolar, Kevin "Morpheus" Hatch, Sarah "The Lady in the Red Dress" Youngblood, Sam "Mouse" Levenberg, Al "the Kid that can bend the Spoon" Taylor, Karen "Switch" Broome, Trinity "that girl I'm going to meet at the party" and everyone else.

**Phil "The One" Brown**

## Women's Division

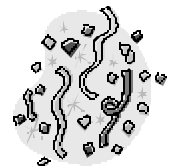

It is once again my pleasure to welcome all of the fun and talented teams who have traveled from far and near to the XXII Annual New Year Fest. It looks like the competition, the spirit, and the weather are shaping up to make another fantastic and memorable weekend here in Tempe. I love this tournament. Every year I am overwhelmed with the energy at the fields, the party, and everywhere I run into my fellow ultimate players. That energy starts building around here in late fall and culminates during the Sunday playoffs. I get goose bumps all weekend!

Don't forget that the Women's Division A Finals is very often THE game to watch the whole weekend. Check it out on Sunday at 1:30 near frisbee central. The teams that make it this far never fail to entertain and amaze the crowd.

Keep the spirit high, remember where you are and how lucky we all are to be here enjoying the weekend doing what we love. You never know what life is going to hand you, but this weekend, it's all good.

Best of Luck

Karen Broome

## NYF 2004 RULES

Except where otherwise stated, NYF will run under the UPA's 10th Edition rules. Copies will be distributed at the Captains' Meeting.

### \* Open

- ? Pool games on Saturday are to 13, win by two, point cap at 15.
- ? Quarters are to 15, win by two, point cap at 17.
- ? Semis are to 15, win by two, point cap at 17.
- ? Finals to 17, win by two, point cap at 19.

### \* Women

- ? Pool games on Saturday are to 13, win by two, point cap at 15.
- ? Quarters are to 15, win by two, point cap at 17
- ? Semis are to 15, win by two, point cap at 17
- ? Finals to be determined by captains.

\* 15-yard brick on out-of-bounds pulls.

\* Mirror image, no half. Finals will have a mirror halftime.

\* Three timeouts per team, per game. No more than two timeouts per half.

\* Once a game reaches overtime (i.e., 12-12 in pool play) each team is entitled to exactly one timeout, provided they have one available.

\* Up to two substitutions per team, per timeout.

\* Games will be soft-capped 30 minutes prior to the start of the next round. At the sound of the soft cap horn, a team that has timeouts still available is permitted to use no more than one. (If a soft-capped game subsequently reaches overtime, a team that has already called a timeout during soft cap does not receive an additional timeout.) At the completion of the point in progress when the soft cap horn sounds, add two points to the highest current score, and that is the new point cap for the game. (For capping purposes, a point is considered to be in progress as soon as the preceding point has ended.) **Note that win-by-two is no longer required**, but any team that reaches 13 or more by a margin of two or more will be the winner of the game.

\* Games will be hard-capped 10 minutes before the start of the next round. At the completion of the point in progress when the hard-cap horn sounds, the team in the lead is the winner. If the game is tied after the completion of that point, one more point is played to determine the winner. No timeouts (except injury timeouts) may be called once the hard-cap horn has sounded.

\* Seeding for playoffs will be based on won/lost record during pool play. Tiebreakers will be applied in the following order: head-to-head record; point differential in games between tied teams; point differential against all common opponents; total point differential; disc flip.
