

NEW YEAR FEST 23

JANUARY 29-30, 2005 TEMPE, ARIZONA

Adios Diablo

WELCOME

Welcome to Tempe and the 23rd Annual New Year Ultimate Fest!

This year is the end of era, as we say “Adios” to the fields at Diablo, NYF’s primary site for the past dozen years. Our devilish fields are going to the angels. The Los Angeles Angels of Anaheim, that is—as Diablo will be converted into an expanded baseball facility. So this is a year to remember those things that make Diablo special: the Buttes washed in the light of the setting sun, the quick dash to the airport on Sunday, and of course the hardest ground that players love to play on. Or is “love” too strong of a word?....

Also, I’d like to thank all the volunteers who make this tournament happen, particularly Sam and Karen for coordinating the teams, Kathi for taking care of our Saturday night bash; JT and Craig for doing whatever is asked, Al for stepping up to take care of water and make the trophies, the Sunday cleanup crew, and all the people who ask “What can I do to help?” Thank you all!

Women’s Division

It is my pleasure to once again welcome all of the teams to the 23rd Annual New Year Fest Tournament. I hope that the sun is shining on you as you read this. Whether you play at the main site of Diablo or at the alternate site of Benedict, you will hopefully have been able to appreciate the backdrop of the buttes at frisbee central. It has been a gorgeous place to play. Thanks for coming out. Play hard, play fair, have fun, make friends.

Good luck,
Karen Broome
Women’s Coordinator

Open Division

Welcome to the 23rd edition of the New Year Fest. This year will most likely be our last at Diablo. It was our home for many years after we grew out of ASU.

Once again we field a 16 Team “A” Division and a 20 Team “B” Division. Our first team from Mexico will be here to play in the “B” Division. Olamaya comes from Mexico City to join us. In the “B” Division look for Freaks Revisited to try to make it back to the finals. Dropping down after trying A last year, Papal Age will be tough to beat. The local scene will be represented by Sprawl, Burning Man, and Hammer of the Gods. We have 2 teams from Ohio this year, Olentangies and Cuyahoga Sheet Metal. Texas Tech will be playing their first tournament ever at the NYF. The “King” will be on hand with Disco Elvis from Las Vegas.

The “A” Division has multiple repeat champs, JAM, on board for another run. Back again and re-tooled is crowd favorite ZippO. The top 4 seeds round out with Impulse Control from Wisconsin and Syrup, a team of California all-stars from several teams. Reunion teams are abound with Dirt Train (Weslayan) and E-Men (Tufts).

I hope everyone enjoys themselves. If you have a good time, let one of the volunteers know about it. It takes an extreme amount of effort from the VOTS community to host this event

NYF 2005 RULES

Except where otherwise stated, NYF will run under the UPA's 10th Edition rules. Copies will be distributed at the Captains' Meeting.

* Open

- ? Pool games on Saturday are to 13, win by two, point cap at 15.
- ? Quarters are to 15, win by two, point cap at 17.
- ? Semis are to 15, win by two, point cap at 17.
- ? Finals to 17, win by two, point cap at 19.

* Women

- ? Pool games on Saturday are to 13, win by two, point cap at 15.
- ? Quarters are to 15, win by two, point cap at 17
- ? Semis are to 15, win by two, point cap at 17
- ? Finals to be determined by captains.

* 15-yard brick on out-of-bounds pulls.

* Mirror image, no half. Finals will have a mirror halftime.

* Three timeouts per team, per game. No more than two timeouts per half.

* Once a game reaches overtime (i.e., 12-12 in pool play) each team is entitled to exactly one timeout, provided they have one available.

* Up to two substitutions per team, per timeout.

* Games will be soft-capped 30 minutes prior to the start of the next round. At the sound of the soft cap horn, a team that has timeouts still available is permitted to use no more than one. (If a soft-capped game subsequently reaches overtime, a team that has already called a timeout during soft cap does not receive an additional timeout.) At the completion of the point in progress when the soft cap horn sounds, add two points to the highest current score, and that is the new point cap for the game. (For capping purposes, a point is considered to be in progress as soon as the preceding point has ended.) **Note that win-by-two is no longer required**, but any team that reaches 13 or more by a margin of two or more will be the winner of the game.

* Games will be hard-capped 10 minutes before the start of the next round. At the completion of the point in progress when the hard-cap horn sounds, the team in the lead is the winner. If the game is tied after the completion of that point, one more point is played to determine the winner. No timeouts (except injury timeouts) may be called once the hard-cap horn has sounded.

* Seeding for playoffs will be based on won/lost record during pool play. Tiebreakers will be applied in the following order: head-to-head record; point differential in games between tied teams; point differential against all common opponents; total point differential; disc flip.
