

TD Welcome

This is my eighth year actively involved in the tournament and likely my last. Whether you've been here all eight years, or this is your first, of if you're used to 70 degree weather in January or minus 20, thank you for making NYF part of your ultimate life. As my tenure comes to a close, I would like you to do me a favor. I would like you to look closely at the name of the tournament. What do you see? Or, rather, not see? The answer is an "S". It's New YEAR Fest. This year, last year, all 27 years. Just wanted to clear that up.

NYF 2009 RULES

Except where otherwise stated, NYF will run under the UPA's 11th Edition rules.

- All games are to 13, win by 2, cap at 15.
- Women's A and Open A finals are first to 15.
- 15-yard brick on out-of-bounds pulls.
- Up to two substitutions per team, per timeout.
- Mirror image, no half. Finals will have a mirror halftime.
- One timeout per half, plus a floater (3 per game).
- The soft cap horn will sound at 75 minutes. Teams with timeouts available can use no more than 1 during soft cap. At the completion of the point in progress when the soft cap horn sounds, add two points to the highest current score, and that is the new point cap for the game. (A point is considered to be in progress as soon as the preceding point has ended.) **Win-by-two is no longer required**, but any team that reaches 13 or more by a margin of two or more will be the winner of the game.
- Games will be hard-capped 10 minutes before the start of the next round. At the completion of the point in progress when the hard-cap horn sounds, the team in the lead is the winner. If the game is tied after the completion of that point, one more point is played to determine the winner. No timeouts (except injury timeouts) may be called once the hard-cap horn has sounded.
- Seeding for playoffs will be based on won/lost record during pool play. Tiebreakers will be applied in the following order: point differential in games between tied teams; total point differential; disc flip.
