#### Welcome

Welcome to the 34<sup>nd</sup> annual New Year Ultimate Fest! We're proud to be one of the oldest tournaments in the ultimate world and happy to welcome back teams that have been literally coming for decades as well as meet our newest participants! Over the years, the tournament has changed in some ways, but our goal has always been to provide a fun, high-quality experience to our participants, and we're excited to be back playing at the excellent Reach 11 Sports Complex. Don't forget to stop by "Frisbee Central" to make any suggestions, thank our staff and pick up some tournament discs and Five Ultimate sportswear to remind you of good times in AZ! Have fun. Be safe and spirited.

NEW YEAR FEST XXXII

## 2016 New Year Ultimate Fest \* Rules

Except where otherwise stated, NYF will run under the UPA's 11<sup>th</sup> Edition rules.

- Pool schedules vary by the size of the pool. See the schedule for details since you may have 3, 4, or 5 games on Saturday.
- Win by 2 except at the point cap, new point cap set by soft cap or the hard cap.
- Sunday games are to 13, cap at 15.
- Women's A and Open A finals are first to 15.
- 20-yard brick on out-of-bounds pulls.
- Up to two substitutions per team, per timeout.
- Mirror image, no half. Finals will have a mirror halftime.
- One timeout per half, plus a floater (3 per game).
- The first horn will sound at 75 minutes. This has no effect on pool R. It is the HARD CAP for pool Y. It is the softcap for all other pools. The second horn will sound at 95 minutes. This is hardcap for all pools except Y.
- Soft Cap: Teams with timeouts available can use no more than 1 during soft cap. At the completion of the point in progress when the soft cap horn sounds, add two points to the highest current score, and that is the new point cap for the game unless the original point cap was lower. (A point is considered to be in progress as soon as the preceding point has ended.) Winby-two is not required at the point cap, but any team that reaches the original winning score or more by a margin of two or more will be the winner of the game.
- Hard Cap: 20 minutes after the soft cap. At the completion of the point in progress when the hard-cap horn sounds, the team in the lead is the winner. If the game is tied after the completion of that point, one more point is played to determine the winner. No timeouts (except injury timeouts) may be called once the hard-cap horn has sounded.
